## PROCEDURE

### Smoke Alarm and Battery Replacement (SABRE) Program

A revised Smoke Alarm and Battery Replacement (SABRE) Program Guide has been published on the Intranet.

The Program Guide:

- has been updated to include electrical safety guidelines and instructions for firefighters to safely replace batteries in hardwired smoke alarms.
- provides instructions for firefighters to install battery operated smoke alarms with heavy duty double-sided tape.
- accompanies the SABRE Program online training module available on the Learning Hub. It is compulsory for Firefighters to complete this course before attempting to replace batteries in hardwired smoke alarms.

This document rescinds:

- In Orders 2013/7, *Smoke Alarm and Battery Replacement (SABRE) Program*.
- *Smoke Alarm and Battery Replacement (SABRE) Program Guide*, Version 03, January 2013.
- Safety Bulletin 2013/03, *SABRE program electric shock risk*, September 2013.
