## HONOURS

### Australia Day Honours

---

#### Australian Fire Service Medal

---

The Australian Fire Service Medal was established by Her Majesty the Queen in 1988 to recognise distinguished service by members of Australian fire services.

The medal is part of the Australian Honours system. Recipients of this award are entitled to use the post-nominal AFSM.

In the Australia Day Honours 2019, Australian Fire Service Medals were awarded to the following members of Fire and Rescue NSW:

Captain John Gill AFSM, Bingara Fire Brigade

Leading Station Officer Michael Forbes AFSM, Fire Investigation & Research Unit

Superintendent Alan Cooper AFSM, Zone Commander RN3 - Tamworth

*Contact Officer: Chief Superintendent David Felton AFSM, Commissioner's Chief of Staff, on (02) 9265 2678*

## NOTICES

### New name badges

This instruction rescinds In Orders 2011/17, *Name badges* and amends Section 9.2 of *Recommended practice, Personal protective clothing, equipment and uniform*.

Name badges are worn by FRNSW staff so that members of the public, other emergency services and colleagues can readily identify who they are dealing with.

All staff can now order a new red name badge through ESCAT. The new badges feature the new FRNSW Plus Plan logo and replace all blue and red name badges with previous branding. Badges with previous branding should no longer be worn. All new badges for all ranks are red.

Name badges are worn on the right side above the uniform pocket, or in a similar location on other apparel.

Name badges are supplied in pin type, magnetic type and slide badges for winter jackets. Staff can order:

- Either one pin type or one magnetic type.
- One slide badge for polar fleece jackets.

Slide badges for winter jackets should not be ordered until autumn and have been removed from ESCAT until that time.

Name badges can be ordered through ESCAT in [ESS](#) using the following naming convention:

#### Firefighters – Name and rank only

E.g. Jane Smith  
Senior Firefighter

#### Admin and Trades staff – Name and position

E.g. John Smith  
Administrative Support

Firefighters should not wear name badges in the Hot Zone at incidents as they may damage personal protective clothing or cause injury.

For guidance on disposing of obsolete name badges, please refer to Section 10.4.4.1 of the [Procurement manual](#) or the [Disposals](#) toolkit.

*Contact Officer: Terry Farley, Commander Operational Logistics*
