PROCEDURES

Correctional facility incidents

Firefighters may be called to attend a correctional facility as part of their duties. These facilities pose unique hazards for firefighters and have required levels of security under which FRNSW must operate.

The following documents have also been published on the Intranet:

SOG 8.3, [Correctional facility incidents](#) (Version 02)

SOG 8.3, [Correctional facility incidents check sheet](#) (Version 02)

SOG 8.13, [Civil disturbances](#) (Version 01 Amd 1)

SOG 8.13, [Civil disturbances check sheet](#) (Version 01 Amd 1)

Key points

SOG 8.3 has been reviewed and updated to include:

Current Corrective Services NSW procedures and terminology.

Updated guidelines for assessing risk and managing incidents at correctional facilities.

Instructions that can be applied at detention centres.

SOG 8.13 has had a minor amendment to update FRNSW terminology and remove old references.

What needs to be done?

Station Commanders must ensure that all crews are aware of the contents of the SOG. All operational staff must sign off the SOGs in the Station Planning System (SPS) for station staff or Employee Self Service (ESS) for operational staff not attached to a station.

Rescindments

Publication of these documents rescinds the following:

SOG 8.3, Correctional facility incidents (Version 01)

SOG 8.3, Correctional facility incidents check sheet (Version 01)

SOG 8.13, *Civil disturbances* (Version A)

SOG 8.13, *Civil disturbances check sheet* (Version 01)

Updating folders

If your station maintains an A4 SOG folder, print out the SOGs and file them in the folder. Make an entry in the Occurrence Book.

The check sheet will be printed and distributed in hard copy in due course, for filing in the A5 SOG check sheet folder carried on appliances. In the meantime, you can print out a temporary A5 check sheet and file it in the A5 folder. There are instructions on [printing temporary SOG check sheets](#) on the intranet. You can also print and file the updated [check sheet folder contents](#).
