## PROCEDURE

### 2014 SIMS release

SIMS calendars for 2014 have been developed and published to the [SIMS calendars toolkit](#) on the Intranet. Hardcopies have been distributed to fire stations.

A number of SIMS worksheets for both equipment and appliances have also been revised and published either to the [SIMS worksheets for equipment](#) or [SIMS worksheets for appliances](#) toolkits. Hardcopies have been distributed to stations either by the printer or by Equipment Research & Design.

### Procedure for SIMS calendars

SIMS calendars for 2013 should be removed from the SIMS board and filed in the fire station. SIMS calendars for 2014 should be loaded into the SIMS board.

### Procedure for SIMS worksheets

Take SIMS worksheets relevant for your appliance and:

- Remove the old worksheets from the SIMS board.
- Replace them with the new worksheets.

Old SIMS worksheets should be discarded.

If you are missing any of the required worksheets for your appliance, download them from the [SIMS worksheets for equipment](#) toolkit, print them out, and post them on your SIMS board.

## AWARDS

### Matrix update

The consolidated [Travel Matrix](#) has been updated following agreement with the Fire Brigade Employees' Union of NSW. Changes to and/or confirmation of distances are available at [Matrix 06 December 2013](#).

There is no need to make manual claims for any differences between the old and new distances, as back payments to firefighters will be processed automatically early in the New Year.
