COOPER Trevor 337015 Firefighter

#### 1st Clasp of the NSW Fire Brigade Long Service and Good Conduct Medal

COOPER Trevor 337015 Firefighter

#### **PROCEDURES**

#### **Standard Operational Guideline – Terrorist Incidents**

The following documents have been published on the Intranet:

- SOG 8.7 Terrorist incidents (Version 02)
- SOG 8.7 Terrorist incidents check sheet (Version 01)

The Counter Terrorism Operations toolkit brings together all the information on FRNSW operations at terrorist incidents.

#### **Key points**

SOG 8.7, Terrorist incidents:

- provides guidance for FRNSW Commanders and firefighters at incidents on the hazards and principles of operation
- shows how the FRNSW Incident Management Team integrates with the NSW Government incident management arrangements
- gives requirements for responding, site management and scene preservation
- gives guidance on what to do if an active armed offender attack occurs at a location where FRNSW personnel are present.

#### Rescindments

The revised SOG 8.7 rescinds:

- SOG 8.7 Terrorist incidents (Version 01)
- Operations Bulletin 2015-03 Active armed offender incidents

#### Who needs to read these documents?

All Commanders must ensure that all crews are aware of the contents of these documents and incorporate them in station training.

#### **Updating folders**

If your station maintains an A4 SOG folder, print out the SOG and file it in the folder. Make an entry in the eOccurrence Book.

The check sheet will be printed and distributed in hard copy in due course, for filing in the A5 SOG check sheet folder carried on appliances. In the meantime, you can print out a temporary A5 check sheet and file it in the A5 folder. There are instructions on printing temporary SOG check sheets on the intranet. You can also print and file the updated check sheet folder contents.

#### Major Incident Management Plan - Counter Terrorism Sub Plan

FRNSW's *Major Incident Management Plan* ensures that FRNSW provides effective, coordinated response to major incidents in NSW in support of the *State Emergency Management Plan* (EMPLAN).

Sub plans to the *Major incident management plan* detail requirements for dealing with specific types of incidents and should be read in conjunction with the *Major incident management plan* and the sub plans to EMPLAN.

#### **Counter Terrorism Sub Plan**

The Counter Terrorism Sub Plan to the Major incident management plan has been published on the intranet

#### **Key points**

The purpose of the *Counter-Terrorism Sub Plan* is to ensure FRNSW meets its obligations under the *NSW Counter Terrorism Plan*.

It applies to both:

- FRNSW's changes to security, business practices and service delivery when the National Terrorism Threat Level is raised above Probable
- Response to an actual or imminent terrorism incident.

It also sets the context for FRNSW input into Regional and Local Emergency Management Plans.

#### **Toolkits**

FRNSW's Major Incident Management Plan, sub plans and supporting plans are available on the Major Incident Management Planning toolkit on the intranet.

The Counter-Terrorism Planning toolkit on the intranet shows how FRNSW's *Counter Terrorism Sub Plan* fits in with National and NSW counter terrorism plans.

#### Rescindment

The Counter Terrorism Sub Plan rescinds OP01-0002, National Terrorism Public Alerts, Version 04 Amendment 01.

#### Who needs to read these plans?

These plans need to be read by all staff involved in planning for and responding to changes in the National Terrorism Threat Level and terrorist incidents.

Contact Officer: Superintendent Warwick Kidd, Manager Counter Terrorism and

Security, 0407 237 321

#### Revised recommended practice - Fire and rescue extension ladder

<u>Recommended practice – Fire and rescue extension ladders</u> (Version 02) has been published on the <u>Equipment recommended practices</u> toolkit. Highlights of the new recommended practice include:

- Inclusion of 8.0 and 8.5 metre extension ladders
- Updated contact details for the repair and management of ladders.

Recommended practice – Fire rescue ladder (Version 1.0) has been rescinded by the new recommended practice.

Contact Officer: Daron Lesslie, Manager Equipment Management, (02) 9742 7174
