### Bushfire Danger Period

The Bushfire Danger Period (BFDP) commences 1<sup>st</sup> October ending 31<sup>st</sup> March in the following year. During the BFDP, landowners and managers are required to obtain permits before lighting fires for land clearance or fire breaks.

The BFDP declaration can be varied on either a temporary (seasonal) and permanent (reoccurring) basis and remains in force for the period specified unless it is revoked.

In addition to those Local Government Areas that commenced their BFDP on 1<sup>st</sup> and 17<sup>th</sup> August 2018 respectively, 68 Local Government Areas listed below will commence their BFDP on 1<sup>st</sup> September 2018 due to local climatic conditions.
