PROCEDURES

New equipment recommended practice

Recommended practice, [Galaxy calibration station for the Altair 5X](#) (Version 02) has been revised and published on the [Equipment recommended practices](#) toolkit. This recommended practice describes the correct use of the Galaxy GX2 calibration station for Altair multi-head gas detectors.

Highlights of the new recommended practice are updates for new calibration gases used for special issue Altairs.

Who needs to read this instruction?

All staff who use or maintain Altair multi-head gas detectors or the Galaxy GX2 calibration station.

Rescinded doctrine

Recommended practice, *Galaxy calibration station for the Altair 5X* (Version 01) is rescinded.

Contact Officer: Tony Steele, Manager Hazmat Logistics, 0438 652 649

Revised procedures for bagging and tagging

Doctrine for bagging and tagging equipment and personal protective clothing has been updated and published on the [Equipment recommended practices](#) toolkit.

Updates to Recommended practice, [Bagging personal protective clothing for laundry](#) (Version 02) include:

- Alignment of processes to the new laundry contractor.
- Scope includes trades and administration PPE and uniform when that has been contaminated.
- Double bagging required for asbestos contamination and as determined by the Incident Controller, otherwise only single bagging is required, saving plastic.
- Removal of laundry processes which are now published on the Laundry toolkit.

Updates to Work instruction, [Bagging contaminated gear](#) (Version 02) include:

- Scope reduced to equipment such as SCBA, chemical protective clothing and other equipment which requires further. Clothing for laundry is included in Recommended practice, [Bagging personal protective clothing for laundry](#).
- Double bagging required for asbestos contamination and as determined by the Incident Controller, otherwise only single bagging is required, saving plastic.

Who needs to read this instruction?

All staff.

Rescinded doctrine

- Recommended practice, *Bagging personal protective clothing for laundry* (Version 01).
- Work instruction, *Bagging contaminated gear* (Version 01)
